Dear Mr David,
Ref Summer lane P158/15/out

I am writing only a short note as to why I would like buildings to go ahead on this site. I have lived in Pagham for 3 years and Bognor all my life, I currently live in a damp flat with a boiler working on occasions, Prices for people the Pagham Social Housing have written saying their properties are only for 'londoners', My dream would be a house in Pagham affordable and situated in a beautiful lane, I have a 2 year old daughter and one year old son, my partner and I would so appreciate a village green and maybe even an affordable house, just near their great parents.

Thank you
