18th September 2015

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for the erection of 90 No. dwellings with associated access & open space. This is a Departure from the Development Plan.

Land at Summer Lane Pagham

Thank you for your internet representation made on 17th September 2015 which has been recorded as '**an objection**' with the comments as follows:

I would like to place a objection towards this planning application. There are a number of cases for objection. Loss of quality of life to the residence of Brooks end due to noise increase from new homes backing onto our homes, light pollution, due to the main road into the estate running alongside our homes, plus making a busy road even busier with a small junction for access. Value of current property will reduced. Loss of wildlife within this area, Currently there are many different types of birds, Foxes living in this area, A true nature habitat. The main Reason we bought this property was because it is overlooking open fields.

No planning notification has been posted through our door, the planning notification was only place on the access to summer lane and no notification as been given to the residence of Brooks end who will also be heavily effected by the application.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
