Simon

We have just discussed this. I have taken instructions from my Client and we agree with Nik that a 3 month extension is sensible. I can confirm therefore that my Client agrees to extend the time until 1st October 2016, and we would be very grateful if you could seek approval from Members at their meeting on 15th June 2016.

In the meantime, we will continue to progress the S106 and hope to have it completed as soon as practicably possible.

Kind regards and thanks

Amanda

Amanda,

I have just spoken with Nik. We would suggest that you seek a longer extension than just 1 month as we do not want to have to go back again. If you then are able to agree to an EoT then we can take this as an emergency Ctte item to the June 15th Ctte meeting. Nik suggested that we seek a 3 month extension. Please advise if you can agree to this.

Kind Regards

Simon

I know that we recently put in place an extension of time to finalise the S106 until 1st July 2016. Having regard to the recent correspondence it appears that we are likely to need to put in place a further extension, and in this respect I would request an extension until 1st August 2016.

I look forward to hearing from you.

Kind regards

Amanda
