

Please add the attached plans to P/58/15/OUT.

The 120843/A/11 Rev C drawing needs to supersede the Rev A drawing that is already there (so you can locate it easily, the existing plan is dated 15/06/15).

The other 6 plans should be added as plans.

(I appreciate this is not a current application but the plans provided were not recorded on the website when they should have been – please ensure this email is added as explanation)

Thanks Simon.

Hello Simon,

Thanks for your email. Apologies for the delay, but had to search our system for them, remote access is always slower than when in the office. Please find attached the relevant dwgs requested...

Kind regards,

Dear Daniel,

I write to you reference the outline planning permission for this site. We are currently reviewing this file following a representation querying the permission and the Council does not wish the permission to be at risk. As part of this, I have noted that condition 3 on the Outline made reference to several plans but that we do not have copies of all of these on our online website records. Please see below summary table:

1	DLA.1552.L003.01 Rev D Location Plan	On the web
2	120843/A/11 Rev C	On the web but only Rev A
3	120843/A/05 Rev B	Missing (I have also checked the content of all statements/reports)
4	120843/SK/13 Rev A	As 3
5	120843/SK/14 Rev A	As 3
6	120843/AT/A01 Rev A	As 3
7	120843/AT/A02 Rev A	As 3
8	120843/SK/15 Rev A	As 3
9	Ecological Assessment (April 2015)	On the web

I therefore write to ask if you have copies of the drawings in rows 3-8 and also if you have a copy of the Rev C version of the plan in row 2. We can then ensure that these are placed on the website.

If you do not have this, can you suggest a contact for us at Hanbury.

Kind Regards
