2nd August 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection of 9 No. dwellings with associated access, parking, cycle & refuse storage & landscape design. This application is a Departure from the Development Plan & may affect the setting of a listed building.

Rear of Inglenook Hotel 253-255 Pagham Road Pagham

Thank you for your internet representation made on 1st August 2019 which has been recorded as '**an objection**' with the comments as follows:

I am objecting this application because I feel it will be detrimental to Pagham and the local residents. I feel there is no need to build 9 dwellings at a site that is already overcrowded. I am not a local resident of Pagham however I have family members who live very close by to the proposed building area and in my recent visits I have noticed how busy the local area is getting.

If this planning application is to be approved, it is my concern that it will open the flood gates of people wanting to turn their back gardens into houses.

It is sad to see this lovely town slowly become a built up, over crowded town without the facilities to cope. I feel that is going to drive away many of the residents who moved here to enjoy a quiet and relaxed retirement.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
