DEAR SIR/MADAM:

RE: = PLANNING FOR

P/58/19/L

I FIND IT UNBELIEVABLE THAT ONCE AGAIN YOU ARE CONSIDERING ABOVE APPLICATIONS.

WE HAVE SERIOUS PROBLEMS FROM OUR ESTATE OF EXITING ONTO THE MAIN ROAD: THE INCHENOOKS EXIT IS WITHIN CLOSE PROXIMITY TO THE NEW BUILDINGS NEXT DOOR EXIT AND OUR EXIT, PUTTING A HIGHER RISK ON THE MAIN ROAD THAT HAS ALREADY GOT

9 Points of exit onto the
Raghat Road - within a distance
of about 1,000 metres, the road
is also heavily congested with
park vehicles, that I might add
still are parking on the double
yellow lines,

Do we really need more
housing in this small community
is the infrastructure able to cope
with all this extra housing. I
really don't think so. I strongly
object to the planning that
I have mentioned. And I can
only hope that commonsense
will prevail and that this
proposal will be refused
