Subject: Pagham Parish Council responses

Pagham Parish Council's Planning Committee met on 24th September 2019 to consider the following applications:

P/58/19/PL – Rear of Inglenook Hotel. Amendments to Application in response to concerns from residents at Mill Farm Estate regarding Unit 7. RESOLVED: The Committee noted the improvements made to Unit 7, and was satisfied that residents' concerns had been addressed. However, there were still concerns regarding the access onto Pagham Road. It would be far safer to access the development through the newly-built Spinaker View development. This should be fully explored. The Committee was very concerned to see the comments of WSCC Area Highways Manager (12/9/19) that signage to alert the presence of pedestrians in the road was not required. The Committee felt this was essential for safety. It continued to OBJECT to the application on these grounds.
