Dear Richard,

I have not yet received our independent highway report but will forward it on when I receive it. Please note that there are further WSCC Highways comments on our web files which states that they are happy with the improvements that you have made. I do not require anything else at this time.

Kind Regards

Dear Simon

I just wanted to check that you have everything from us that you need for the application to be returned to committee on 8th January. Also have you received the results of your own highways analysis as we would like to have the opportunity to review its results.

Kind Regards

Richard
