Hi Simon,

As promised, here's the email chain I was sent earlier from Gareth confirming agreement to the EOT.

I'd be grateful if you could confirm receipt once you've received the email.

All the best,

Hi Simon,

Thanks for this.

We agree to an EOT to 6th March 2020 in order for this to be reported to 4th March; the S106-UU was provided last week so we believe everything is in order now to approve before that EOT.

Best wishes
Gareth

Dear Gareth,

I have now completed the report update and it is with Neil Crowther for review. I note that Richard stated previously that it is not necessary to agree to an extension of time for the application to be considered by March DC Committee. However, our position is that it will not be signed off for the March Committee without an agreed Extension of Time. Therefore, please indicate your agreement to an EoT until 6th March 2020.

Kind Regards
