Your Ref:  
Date: 9th May 2022

Dear Mr Pierson,

**Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)**

**Listed Building Consent for Alterations, Extension or Demolition of a Listed Building**

**Development:** Listed Building consent for works associated with refurbishment of property pursuant to Listed Building Consent reference P/123/20L for the demolition of existing conservatory to southern side of building & general repair & maintenance of external brickwork & roof coverings, replacement windows etc. Internal alterations comprising the removal of partition walls, reinstatement of wooden balustrade to staircase, and general repair, maintenance and refurbishment.

**Location:** Pennicotts Farm Pagham Road Pagham PO20 1LN

Thank you for your application which was received on 21st April 2022. I am writing to acknowledge that it was accepted as a valid application on 6th May 2022. On receipt of this letter, if you have any concerns about the way that the Council has described your application you should contact **Maria Tomalova**, the case officer who is dealing with your application.

The Council will publicise this application by way of a site notice on or near the application site and on the website. **The site notice needs to be displayed until the date indicated on it for comments and for not less than 21 days.** If there are any problems with regards to the site notice (E.g. vandalism), please contact the case officer.

Your application cannot be determined until the end of the statutory publicity and consultation periods which is 11th June 2022. You can follow how your application is progressing on the Council's website: <https://www.arun.gov.uk/planning-application-search>

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 1st July 2022. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of Planning Committees.

If you have not received a decision by 1st July 2022 or agreed in writing to extend the time in which the Council make a decision, you have 6 months in which to appeal to the Secretary of State. Your appeal under Section 20 of the Planning (Listed Building and Conservation Areas) Act 1990 would be that the Council has failed to make a decision and you would be asking a Government Planning Inspector to make the decision instead. You can do this on a form which you can get from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or from the Planning Inspectorate: <http://www.gov.uk/topic/planning-development/planning-permission-appeals/>

If you allow the Council extra time to make a decision on your application, and you disagree with the decision, you will still be able to appeal within 6 months from the date the decision was issued.

This acknowledgement only relates to this application and not to any other types of planning application or other kinds of applications you have made, or may need to make to the Council, for example Building Regulations approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required visit the government's website <https://www.planningportal.co.uk> or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control Services offered by Arun District Council please see: <https://www.arun.gov.uk/buildingcontrol>

Please do not hesitate to contact the case officer on the above details if you have any questions or queries.

Yours sincerely

**Neil Crowther**  
**Group Head of Planning**

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

**If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.**
