

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Dear Mr Moore

I apologise for the delay with your application and for sending this in two separate emails. I am emailing to request an extension of time in order to get the application signed off. I will be putting it forward with the recommendation

to be approved subject to conditions and informatives. If you can confirm an extension until the end of the week (Friday 26th of March) via response to this email it would be greatly appreciated.

Kind regards,

Finlay Gardner
