AT

GREY BARN, CHURCH LANE, PAGHAM, BOGNOR REGIS, WEST SUSSEX. PO21 4NX

Plate I : The West Elevation of Grey Barn with PVCu Conservatory at odds with the style of the traditional barn form of the building.

Plate II : Grey Barn – South-west perspective. The white PVCu windows at odds with the muted, natural tones of the shingles and roof slates.

Plate III : Grey Barn – North-east perspective. The local Bognor rock, beach flints and brick dressings are an important feature of the local rural vernacular.

Plate IV : Grey Barn – Part East Elevation with concrete paved courtyard.

Plate V : Grey Barn Garage and ancillary store – West Elevation into concrete covered courtyard.

Plate VI : Grey Barn Garage – North Elevation dominated by a modern painted metal door.

Plate VII : Grey Barn Garage – Roof in poor condition and suffering from water ingress

Plate VIII : Grey Barn Garage and ancillary store – Significant water ingress has lead to decay of the existing roof structure and significant issues related to dampness. Replacement of the roof will remediate these issues.
