**WEST SUSSEX COUNTY COUNCIL
STRATEGIC PLANNING CONSULTATION**

DATE: 18th September 2013

FROM: Dominic Smith TO: Arun District Council
FAO: Cian Cronin

SUBJECT: P/64/13

Construction of rock revetment as a coastal scour mitigation measure.

Foreshore, West Front Road, Pagham, West Sussex, PO21 4TB

RECOMMENDATION:

Advice	Modification	More Information
Objection	No Objection	Refusal
	X	

No highway objection is raised to the proposed rock revetment; however, further information is sought in respect of construction impact. The Local Highway Authority are satisfied for a 'Construction Management Plan' to be secured via condition should the information not be submitted prior to determination.

Construction Management Plan

No development shall take place, including any works of demolition, until a Construction Management Plan has been submitted to and approved in writing by the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters, the anticipated number, frequency and types of vehicles used during construction, the method of access and routing of vehicles during construction, the parking of vehicles by site operatives and visitors, the loading and unloading of plant, materials and waste, the storage of plant and materials used in construction of the development,

Reason: In the interests of highway safety and the amenities of the area.

Dominic Smith
Strategic Planning

Think sustainably. Do you have to print? Can you double side? Do you need colour?
