Dear Planning Services Arun DC,

Thankyou for your letter,I enclose the further requested information for the above householder application, reference no P/66/19?HH.

- A. There is a Block Plan at 1,500 showing the full garden and surrounding properties.
- B. A North elevation proposed, there being no existing north elevation.
- C. A request to extend the garage is not a part of this application.

Please also see my note regarding roof thicknesses.

I have endeavoured to reduce the impact of the roof edge slightly by incorporating some of the roof composition within the masonry so this is shown as a 285 deep fascia.

The internal floor to ceiling height is matching the existing dwelling's ceilings at 2,300 mm. The gross roof thickness is actually 385 mm.

Please call me for any other information.

Kind regards

Mick Morris AADipl RIBA Architect
