Subject: P/67/20/DOC

I live in land that backs onto the Sefter Road Wimpy site for 280 homes. I see from their planning docs that there is something on protection of reptiles etc as a requirement.

I would therefore like to know why Wimpy instructed men to cut back all the brambles all around the edge of the field, thereby taking away any cover these animals had. This was done 2-3 weeks ago.

Regards,

Sue Madden
