Prejudice. Dear Mr Davis, I am writing to give a small insight as for the reason for this re application, as records will show there was a permission granted for the development in the past which eventually lapsed, PAGHAM BEACH AMUSEMENTS has been run by myself and members of family since 1976, also employing part time staff from March through until October each season and plays a part in attracting tourism to the area, as a sole Trader in these difficult times the proposed development would allow me to live on site and be hands on, I am fully aware the proposed development would not be for re-sale and is for owners accommodation, the proposed development could be key in the business surviving and going forwards.

Sincerely Yours
Beach Amusements Dean Griggs Pagham
