Hi Simon

To confirm, we are reviewing the updated FRA and should have a response to you by 9 July, if not before.

Kind regards

Subject: Application P/68/21/PL - Consultation Request

Dear Environment Agency,

We have an outstanding consultation request in with you concerning this site. I write to let you know that we have now received a revised FRA and this is now on our website although I attach a copy for you. The original document stated that the site was flood zone 1 but this was based off the postcode (yellow pin) indicator on the flood map whereas the site itself is south of the yellow pin and lies in FZ3.

I look forward to receiving your comments on this one. The original consultation expiry date still stands but please advise if you require an extension.

Kind Regards

Simon J Davis MRTPI
