Hi Simon,

Please find attached dwg showing the Temporary Haul Road in more detail. Responses to points below in red:

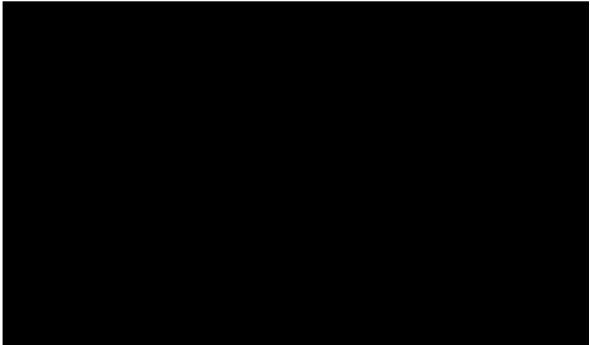

Thanks for your email. I have had a call from a resident of Pagham Road this morning. The person accepted the reason for the road but wanted to know what the road surface will be - Tarmac, whether it will be one or two way -- Two way, what will the exact line of the road be/how far will it be from fences -- 5 metres and how long will it be required for? -- 12 months from opening Are you able to provide some of this information so that I can relay it to residents.

WSCC's comments will be addressed separately.

Thanks.

Kind regards,

Daniel O'Shea
