

MR. Leo. N. Koyman 3

52, Pagham Road

Bognor Regis

PO 21 4NW

28/1/17

Dear Sir

I would like to Register my objection to the Planning Proposals contained in P/134/16/OUT P/140/16/OUT P/6/17/OUT

my main concern is Traffic as there is only one way in and out and this is only a small country Road and cannot take any more vehicles or large lorries. Also losing valuable farm land and all the loss of nature which is dwindling over the whole world today. Flooding is also a major Problem as we know from June/July 2012! we should not lose our local History such as the old Pylbox which brings back many memories Pagham at the moment is a small lovely Village so why turn it into a concrete jungle? To me this is a lovely retirement area, there are not many left. we are slowly losing our wild life like foxes and Badgers stoats & weasels & Deer Schools could bring in more Doctors and Policemen. Fault water Drainage could be a large Problem as we can only just cope now more people in this area means more jobs required. I have lived here since

2001 and wish to remain in this beautiful environment. These are just a very few of our concerns of these Planning applications

Yours Faithfully
