To. Asst. Director of Planning.

Re the above mentioned planning applications I would like to register my objection to all three proposals.

As a resident of Pagham since 1995 it is totally obvious that the area cannot sustain these plans on whatever level whatsoever eg. Traffic, Schools, Flooding etc. Over 1300 new homes would totally ruin the village, of this there is no doubt.

Yours

P.S. How many of the people who make these decisions live in the area?
