

Objection to P/134/16/OUT
P/140/16/OUT
P/6/17/OUT

I would like to register my objection to the planning proposals contained in P/134/16/OUT, P/140/16/OUT, P/6/17/OUT. We have lived in Pagham for 15 years and in that time the main road has got so much busier and more dangerous that it could not possibly cope with the extra cars all these proposed houses would bring.

The flooding in the area is well known, we have had it to the bottom of our front steps on many occasions.

This has always been a farming area and is very productive so why take away land that we need to feed people all over the country?

Why must we have such large scale developments which then will need schools, doctors, dentists and destroying green belt, the local ecology and a small village? This many houses must not be allowed in this area of farms and Nature Reserve.

Yours sincerely
