This application is a Departure from the development plan

Land North of Hook Lane Pagham

Thank you for your internet representation made on 5th February 2017 which has been recorded as '**an objection**' with the comments as follows:

I strongly object to the above application, we live very close to the proposed site. I feel that this would have a detrimental effect on the infrastructure in the area. We have been residents at this address for over 10 years this development will overshadow the quietness we love. I feel the roads, schools and area cannot support the proposed development either. I also worry about the impact on local wildlife, our neighbour currently has many hedgehogs in her garden. Each summer we have many bats circling our garden all of which will be lost if the land it built on.

In 2012 our road/area was subject to major flooding, this is another reason for my objection. If this land is built on, I fear frequent occurrence. There will not be sufficient drainage to cope with the proposed area demands.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
