Dear David,

**Strategic Housing Sites at Pagham P/134/16/OUT, P/140/16/OUT & P/6/17/OUT**

**Hamis ref Nos:** 76494, 76575, 76804

I refer to you recent invitations to Highways England to comment on the planning application submissions for the three strategic housing sites at Pagham planning reference numbers P/134/16/OUT, P/140/16/OUT & P/6/17/OUT.

As you are aware these three sites form the strategic housing allocation for Pagham as identified in the Councils emerging Local Plan. The cumulative traffic impacts of these sites on the A27 junctions of Whyke and Bognor Road have yet to be determined. We are now working closely with all three applicants consultants but have some way to go before we understand the implications and hence required mitigations at both junctions. Accordingly, we would respectfully request that your Council refrains from determining these applications until such time as we can agree with the applicants the impacts and mitigations required and thereby the required contributions for each towards delivering those mitigations.

Regards

David
