This application is a Departure from the development plan

Land North of Hook Lane Pagham

Thank you for your internet representation made on 27th February 2017 which has been recorded as '**an objection**' with the comments as follows:

Please accept this comment as my strong objection to the proposed development. A development like this would have a detrimental effect on the village's rural outlook, community and public services. I give you a heartfelt plea not to accept this application as we moved from London to Pagham as we fell in love with it and wanted to raise our family surrounded by farmland, have safer roads and have strong community for support. Having a housing development at the end of our road could lead to flood risk, traffic chaos, strain on local public services and even have a lasting impact on the value of our home. Please consider my objection, kind regards, Lorraine Legg.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
