Dear Sir,

P/6/17/OUT (Hook Lane)

I write to object strongly to the building of 1330 plus houses on our arable greenfield sites.

My objections are that it will damage the historical nature of the area, plus the increased risk of flooding is a real threat at this time, and the increased traffic that will appear on our COUNTRY roads is not acceptable.. There will be a loss of grade 2 farmland and the local infrastructure will not be able to cope with the increased population.

Yours faithfully,
