

5 Laurel Drive

PO 21 3ND

Dear Sir

I am writing to
say that I strongly object
to homes being built on
Hook Lane (17/6/17/OUT)

Flooding is a problem
now & it would get a lot
worse if ~~the~~ building goes ahead.
Traffic ~~it~~ should also be
another problem & what about
pressure it would put on
Dis Schools & Hospitals

Appointments are now being
cancelled & put back weeks
or even months

Why not use farmland
to grow our own produce
instead of buying it from
abroad.

I moved to this area from
a busy overcrowded town
to enjoy the peace & quite
of village life when I
retired & I would like it
to continue

Yours Sincerely
