Dear Sir / Madam

Arun District Council Planning application  
Planning application

P/134/16/ out (Sutton Rd) 1<sup>st</sup> April

P/140/16/ out (Pagham Rd) 1<sup>st</sup> April

P/6/17/ out (Hook lane) 1<sup>st</sup> April

I am writing to object to the  
proposed outlined above planning application

I came to retire to this calm, tranquil  
village twelve year's ago. Having come from  
a busy, polluted town on the outskirts  
of London you can appreciate my joy  
I felt when I came and settled in this area.  
The area of land proposed for housing

②

is part of the wider area away from the designed site boundary which is used by waterfowl which breed, feed and roost in Pagham Harbour Local Nature Reserve.

Historical and increased flood risk, traffic on country roads, loss of grade 2 farmland, increased pressure on doctors, dentists, schools and hospital.

All these essentials will be unsustainable

Please accept this letter as my formal objection to this proposal outlined at the beginning of my letter.

Yours truly
