13th March 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with some matters reserved for construction of up to 300No. new homes, Care home of up to 80No. beds, D1uses of up to 4000sqm including a 2 form entry Primary School, formation of new means of access onto Hook Lane & Pagham Road, new pedestrian & cycle links, the laying out of open space, new strategic landscaping, habitat creation, drainage features & associated ground works & infrastructure. This application is a Departure from the development plan

Land North of Hook Lane Pagham

Thank you for your internet representation made on 10th March 2017 which has been recorded as '**an objection**' with the comments as follows:

We don't have the infrastructure to cope with all these houses being planned on all 3 sites in Pagham. The roads are not able to cope now with all the traffic going to and from Pagham, onto Bognor Regis and Chichester. The hospitals and Doctors are also at breaking point. It is ridiculous to think we can keep building these houses and everything will be okay. It isn't our roads and NHS are struggling to the point it is dangerous. I just cant believe the councillors think this is a good idea. They don't use our little roads. When they have road works on these little roads now, it is impossible to get to work. A lot of people use this back road instead of the main A27 because its quicker. Because that road also is a complete nightmare at peak times of traffic. This is just going to compound all these problems. You probably wont take any notice of my email, but at least I have had a go at voicing my opinion and trying to stop you. Please see sense.
Mrs Walters

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange

for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
