Land North of Hook Lane Pagham

Thank you for your internet representation made on 19th March 2017 which has been recorded as '**an objection**' with the comments as follows:

Please accept my comments as an OBJECTION to Planning No. P/6/17/OUT

**The sheer number of houses proposed would change the face of Pagham & surrounding areas.*

**What about employment or the lack of.*

**It's not just the number of houses but the number of people in each house that should be remembered adding to public services being completely overloaded. Our medical centres, schools, St. Richard's hospital, struggle now.*

**The local country lanes would not be able to cope with hundreds of more cars.*

** The A27 scheme has now recently been abandoned (to date) which would add to the traffic problems.*

**High quality agricultural land is some of the best in the UK and with BREXIT we need to be producing more food instead of imports. The recent bad winter weather 2016/17 in Spain & Italy led to shortages of some items so emphasis on home grown produce should be a priority.*

**The local farms / nurseries/ distributors supply (for example - sweetcorn & lettuce) to whole of the UK shops & supermarkets.*

**Historic flooding on flood plains.*

**Geological - has sub surface drainage been taken into account?*

**Sewage plant already struggles at times now, more housing would add further strain.*

**We want to keep the villages as villages in this local area and not to become part of a large town.*
