Re: P/134/16/OUT (Sefter Road) 1st April
P/140/16/OUT (Pagham Road) 1st April
P/6/17/OUT (Hook Lane) 1st April

We are writing to add our names to those who object to the proposed over development of the above areas. Besides stating the obvious of the pressures on doctors, dentists, schools, etc and the misuse of quality agricultural land, there is now the added complication of the rejection of the funding for the Chichester by-pass by Chris Grayling, the Transport Secretary, due to the bungling and indecision by various local authorities.

The ancient road systems of this area is already gridlocked at times - and even the New A 259 Bognor by-pass is already proving to be unsuitable for the amount of Traffic already using it.

With regard to the above, clearly the addition of thousands more houses in this small corner of West Sussex would be tantamount to irresponsible vandalism.

Yours faithfully
