Afternoon David,

With regards to the payment terms, because there isn't a formal phasing plan, we advise that the contribution should be made prior to first occupation subject to section 106.

For the other two sites you have mentioned I was on maternity leave at the time though Stephanie Evans has mentioned in her response that a contribution will be required she hasn't gone into further detail, so I have send a response for both applications detailing the contribution figures etc.

For the 89 units site P/25/17/OUT I responded yesterday so the comments should be with you soon.

Thanks

Liz
