Re: P/134/16/out Selter Rd
P/140/16/out Pagham Rd
P/6/17/out Hook Lane

Dear Sir

I wish to appose the above Planning.

1/ Volume of traffic this will cause, will be massive for everyone in the town & surrounding areas.

Local roads are always blocked, & the A27 will become a no go area as its bad enough already let alone with hundreds more cars on the road.

2/ There is no infrastructure put in place:

i.e. Doctors, Schools, Dentists, etc.
We have lived in this area now for over 24yrs & have only been able just to find a NH Dentist,

3 Houses being proposed in the above area's run the risk of flooding which is already bad enough with heavy rain putting more pressure on sewers throughout the area.

Yours Sincerely
