Dear Sir,

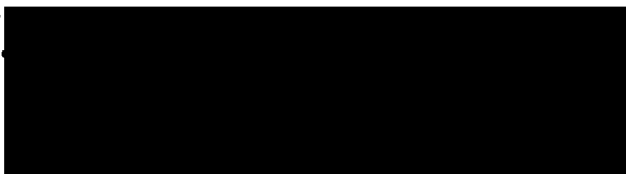

P/134/16/Out Sefter Road - P/140/16/Out Pagham Road - P/6/17/Out Hook Lane

I refer to the above planning applications and wish to say that it is madness to allow the building of several hundred houses which will make the very narrow and twisty road from Pagham to Chichester just too dangerous and over crowded. There are large lorries going into the Barfoot of Botley site, and the road should be upgraded between Runcton and Hook Lane to make it safer.

The flood plain and loss of farmland is also another issue which concerns local people. Pagham does not want to become a large unmanageable housing estate, with great pressure on local schools and doctors' surgeries.

However the main road is the worst aspect. There should be a decent footpath and cycle track in place before any permission is granted.

Yours faithfully

Mrs S C Hart
