APR 24 JUNIOR COUNCIL IN PROTEST.

ARON DISTRICT COUNCIL

RECEIVED

SIR,

By your Part 1, 7 & any other obvious
plans to take away & remove Agricultural
Land.

Wake up! Get up! Go to Parliament &

tell them you are building houses on
Agricultural Land & Wetlands. This land is

needed. I am older than any of your Councillors,
(ANI) I have known Pagham since I was 3.

I was born a few years before the war.

up North thankfully - & able to appreciate
farmland, woodlands & many lovely lakes in
the village of Pulborough. Now ANB.

My Grandfather Dickens made sure much was
preserved; he even bought the "Cat of Fiddle"
on a London & Manchester train to avoid

2. builders selling for American playparks etc.
Hence it became a Bird Sanctuary for all to
enjoy. 1939. There is a plaque in 1939/40
"The Hen who saved the Baby A Man."

You see, a good Motto I have is -

"IMPOSSIBLE IS A WORD ONLY TO BE FOUND
IN THE DICTIONARY OF FOOLS."

TAKE MY ADVICE.

Maybe I totally disagree with your planning
ON needed AGRICULTURAL LAND.

YOU DO NOT ALLOW ANY TO BE
BUILT BY WEALTHY FOREIGNERS ARE
BUYING UP NEW PROPERTIES AS AN

INVESTMENT, ALL OVER
(GUARDIAN). ENGLAND. INSPECTOR
LET THE CHIEF MINISTER OR HOUSING ~~MINISTER~~

FOR PLANNING JOHN, I TELL HIM ABOUT
HOO PLAINS, PARHAM SEA DEFENCES etc.
THE SEA BEAT AS FAR AS VALUABLE GOODS,
(GOOD) GOODS. I WILL CLAIM AGAIN:
