This application is a Departure from the development plan

Land North of Hook Lane Pagham

Thank you for your internet representation made on 15th April 2017 which has been recorded as '**an objection**' with the comments as follows:

As with my two other objections, I believe the infrastructure of this area will not support 300 new homes. I cite again the issue that hundreds of care workers are leaving their posts every day hence it is not need of more homes, but better conditions in the homes that exist to encourage the workers to stay..local roads are massively overcrowded, the clinics are overbooked, I don't even begin to talk of water levels, sewage, flooding and pollution. These plans are so short sighted and there are so many places in our country crying out for more housing and job creation. More housing here, is utterly lacking in logic.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
