Dear Sirs,

Re: Proposed New Housing in the Pagham area.

I am writing to protest very strongly to the proposed developments in the Pagham area, as follows:

Summer Lane,(P/140/16/OUT)
Sefton Road(P/140/16/OUT) and
Hook Lane(P/6/17/OUT).

We have lived in the area for many years, and are very conscious of the impact such developments will have on both the infrastructure and services. Our local doctors practice has been endeavouring to fill existing vacancies for months, with ^{very} much success so will find it impossible to recruit the necessary doctors to look after so many extra patients. The schools will also suffer similar pressure.

Further impact will be experienced on Sewage Treatment, there will be increased flood risk, and not to mention loss of valuable agricultural land that is so important in producing a high proportion of food for the whole of Great Britain.

I therefore feel that these proposals are absolutely unacceptable and ask Arun Council to withdraw these proposals immediately.

Yours faithfully,

Judith Watson
