Dear Sir,

I would like to add my support and comments to the many letters I have read raising objections to the proposed planning applications to Sefter Road, Hook Lane and Pagham Road: P/134/16/OUT Sefter Road

P/140/16/OUT Pagham Road

P/6/17/OUT Hook Lane

My husband and I moved to this area to retire in 2002, we chose this area above all others as we had spent many happy holidays 40 years ago on Mill Farm Caravan Park with our children.

One of the first activities I enjoyed was doing a WEA course on the history of the area including delving into the 1871 census records of the area.

Obviously things have moved on since then, however it was exciting to be able to pick out and see the farms etc which were still identifiable, how sad if all that history will be lost and covered with concrete if these new proposals go ahead.

The loss of the countryside is so damaging to peoples health and well being, flooding, far too much traffic, lack of enough essential services to support the over population in a comparatively small area and the inevitable distress to wildlife must surely be taken into consideration.

I had occasion recently to call for an ambulance when my husband had a heart attack, thank goodness it was 3am and not 3pm as we may never have got along the Pagham Road and on to QA in time. The Pagham Road is always incredibly busy during the daytime and with the extra cars in this area which these housing projects will undeniable bring I dread to think what it will be like.

I really do feel these proposals are totally unsustainable; please reconsider making this area into a London suburb.

Yours hopefully

Mrs M. Brenton
