This application is a Departure from the development plan

Land North of Hook Lane Pagham

Thank you for your internet representation made on 7th March 2018 which has been recorded as '**an objection**' with the comments as follows:

I am writing to object to the planning application proposed for the development Pagham. I appreciate there is a need for housing, however it should not come at a cost to the local community.

I have been volunteer at Pagham Ponies horse and pony sanctuary for the past 18 months and see what great work is being done. It is a community asset which will be lost if this development goes ahead. I have seen an abundance of wildlife whilst working at the yard and met so many other volunteers who have now become great friends. Please don't build on this land, it would be a great loss to wildlife, the local community and holiday makers who also visit the stables during their stay in Pagham. I really concerns me how this would also impact the nearby nature reserve, the pressure on our local hospital, Doctors surgeries and Roads which are already at breaking point.

I trust that all the concerns raised are taking into account and you will come to the right decision and reject this ludicrous proposal.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do

not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
