Hi David,

At the time we were consulted on this application we were not aware that this is part of the strategic requirement for Pagham North as laid out in policy SD2 of the Arun Local Plan Main Modifications 2018. As such we need to consider our infrastructure requirements holistically with the other housing developments and would like to withdraw our response of 30th January 2017 whilst we consider in more detail the proportion required from the level of housing within this application.

Kind Regards
Eloise
