All,

I write to confirm that the Local Planning Authority will not be presenting a defence of the reason for refusal at the forthcoming inquiry in October 2019. The decision that the Council has reached on application P/30/19/OUT on 7 August 2019 has removed the outstanding objection the Local Planning Authority had to the proposals.

We will be amending our Statement of Common Ground with the appellant accordingly and be presenting conditions and a completed planning obligation to the inquiry. However, no further evidence will be submitted by the Local Planning Authority.

Regards, Neil
