My name is Ian Brooks.

I live at Summerfield House, Summer Lane, Pagham PO21 4NG.

I write in support of Planning Application P/6/22/PL as the solution proposed addresses concerns raised by P/153/21/RES and P/167/21/RES, It achieves this by reducing the volume of housing that would be built on this land thereby reducing the impact of new housing on the local infrastructure - schools, roads and sewerage in particular. Equally importantly, it offers some mitigation for the adverse impact the new housing proposed will have on local draining and ecology.

I would be grateful if you would place my views on the relevant application.

Ian Brooks
