To whom it may concern have spoken to you before about said campsite lagnersh camping giving you my concerns .
I now have more concerns I see they have planning for ahepards HUTS and I am quite alarmed by this because now at present they have traveling community on the top of the field blocking public footpath that I struggle to pass as will others .
They have pick up truck vans trailers with cages kids play park a portable toilet and it really is a disgrace and so easy to see.and is so down grading for our area it shall not be long before the site is full of them not what we need in a small community .

Hope this can be passed on thank you .
