Dear Planning Officer,

RE: P/6/25/FUL - Lagnersh House Holiday Site, Lower Bognor Road, Lagness PO20 1LW

Thank you for your consultation on the above site, received on 08 May 2025. We have reviewed the application as submitted and wish to make the following comments.

This is a FULL planning application for the siting of 18 seasonal shepherds huts within the approved recreational campsite together with associated groundworks and landscaping. This application affects a Public Right of Way and is in CIL Zone 5 (Zero Rated) as other development.

We **object** to this planning application in the absence of an acceptable Flood Risk Assessment (FRA) and Drainage Strategy relating to:

- Further information required/updated to demonstrate method of surface water drainage.
- Not complying with NPPF, PPG or local policies.

Reason

To prevent flooding in accordance with National Planning Policy Framework paragraph 173, 175 and 180 by ensuring the satisfactory management of local flood risk, surface water flow paths, storage and disposal of surface water from the site in a range of rainfall events and ensuring the SuDS proposed operates as designed for the lifetime of the development.

We will consider reviewing this objection if the issues below are adequately addressed.

1. A proportionate Flood Risk Assessment and Drainage Strategy is provided for consideration.

Please note if the LPA decide to grant planning permission, we wish to be notified for our records should there be any subsequent surface water flooding that we may be required to investigate as a result of the new development.

Yours sincerely,

Mat Jackson
Flood Risk Management Team
