Description of works: Construction of 3 No. detached chalet bungalows together with alterations to existing dwelling with the provision of modified access, parking & landscaping. This application is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 25th February 2026 which has been recorded as an objection with the comments as follows:

OWPC81497

Health and Safety concerns a 60ft Sycamore Tree. At the moment if the Tree were to fall in a storm it would fall on grassland. But building Houses under the Tree Also concerns houses under the Tree would be a major safety risk. If you feel there is no risk I would like the Council to accept full responsibility in writing. Also concerns over privacy. The boundary line does not seem right. It looks as though our Ground Floor Bedroom Window will be in another garden. Our 1st Floor Bedroom Window will have no privacy.

Your views as made above will be considered before the application is determined.
