Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/6/26/PL
Site Address: Fairhaven Nyetimber Lane Pagham PO21 3JT
Description of works: Construction of 3 No. detached chalet bungalows together with alterations to existing dwelling with the provision of modified access, parking & landscaping. This application is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 26th February 2026 which has been recorded as an objection with the comments as follows:

OWPC81500

I am objecting these 3 bungalows being built as this is going to cause many issues as stated below. Firstly the design and placement of the development would overlook neighbouring homes and our gardens, resulting in an unacceptable loss of privacy. We have very young children so do not want this to be taken from us and overlooked by other houses. We also get a lot of light into our garden currently and this will also be affected. Another concern is this is likely to generate significant additional noise, which would adversely affect the quiet residential character of the area and, as I said we have young children this is a concern for us. There is also already limited parking capacity on this street. This would increase demand for parking for the homes (and their visitors) and increase traffic creating potential safety risks. For these reasons, I respectfully request that the application be refused.

Your views as made above will be considered before the application is determined.
