Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/6/26/PL
Site Address: Fairhaven Nyetimber Lane Pagham PO21 3JT
Description of works: Construction of 3 No. detached chalet bungalows together with alterations to existing dwelling with the provision of modified access, parking & landscaping. This application is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 1st March 2026 which has been recorded as an objection with the comments as follows:

OWPC81557

I am objecting to this development due to the dangerous access too and from the site. The current road is already too narrow and can only allow one small car to gain access and exit from the current properties. Also I believe Pryers Way is a privately owned road. Any access the other side using Lion Road is not appropriate as this road is already full of parked residents vehicles and the access to both ends including Hook Lane and Nyetimber Lane are consistently blocked by inappropriate parking causing significant hazards and health & safety concerns for existing residents. The lack of resources locally to support any more/new developments. The lack of infrastructure to support this development. The loss of privacy to all surrounding residents. The loss of ground used by wildlife including owls and bats (several species).

Your views as made above will be considered before the application is determined.
