Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/6/26/PL
Site Address: Fairhaven Nyetimber Lane Pagham PO21 3JT
Description of works: Construction of 3 No. detached chalet bungalows together with alterations to existing dwelling with the provision of modified access, parking & landscaping. This application is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 3rd March 2026 which has been recorded as an objection with the comments as follows:

OWPC81709

I am concerned about this proposed application. The bungalows that are detailed to be built. They appear to be far too close to the surrounding houses, which will affect the privacy of my neighbours. The proximity of the buildings may affect the amount of light my neighbours receive, possible drainage issues, not to mention the noise, dust and inconvenience and increased traffic during the works. I am very concerned about the loss of green space and adverse effects on wildlife. I am also concerned about Nyetimber Lane and the effect this will have. Nyetimber Lane is used as parking lot already by people living in that road, consisting of large vans, business trucks etc and in the past untaxed cars. These would be parked opposite the proposed entrance to the access road, causing issues. It is already very difficult getting out of Lion Road as cars regularly park opposite the road and turning left into Nyetimber Lane from Lion Road can be hazardous. I experience this every day. I am very much against this proposal. There are more than enough houses being built already in this area. Thank you.

Your views as made above will be considered before the application is determined.
