Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/6/26/PL
Site Address: Fairhaven Nyetimber Lane Pagham PO21 3JT
Description of works: Construction of 3 No. detached chalet bungalows together with alterations to existing dwelling with the provision of modified access, parking & landscaping. This application is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 4th March 2026 which has been recorded as an objection with the comments as follows:

OWPC81765

I strongly object to this proposal on several grounds.

There really is not enough space to build three properties in somebodies back garden. These properties will be so close to the neighbouring boundaries and will seriously encroach on their privacy, effect their light and cause noise disturbance while being developed and once built.

There are also many established trees and bushes in this garden that no doubt will be removed in order to accommodate this proposal, which will result in the loss of wildlife habitat.

The proposed access to the development is not satisfactory and will be emerging into a very busy road that has many vehicles permanently parked on one side causing an obstruction. This development will only add to the problem with the possibility of at least 6 more cars plus visitors etc emerging into this already congested road.

It also worries me that if this proposal is allowed it will set a precedent for more building being allowed in back gardens, which results in invasions of privacy for all surrounding neighbours.

Your views as made above will be considered before the application is determined.
