Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/6/26/PL
Site Address: Fairhaven Nyetimber Lane Pagham PO21 3JT
Description of works: Construction of 3 No. detached chalet bungalows together with alterations to existing dwelling with the provision of modified access, parking & landscaping. This application is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 24th March 2026 which has been recorded as an objection with the comments as follows:

OWPC82338

Since moving to Pagham 3 years ago, I now need good access to pavements & safe roads as I have severe mobility issues. Due to the current building works at the edge of Pagham, driving has become hazzardous and many of us have found out when coming face to face with oncoming traffic due to the workforce parking in Hook Rd. Nyetimber Lane has issues with large vehicles parking along side the Football & Cricket Club grounds for weeks at a time, and has now become the norm, so if this build is agreed, those of us that live in the surrounding area with once again be subject to further building noise, filthy roads and more importantly, unsafe roads due to delivery of machinery & materials & parking of the workforce, in a small area due to lack of access. This build would cause anxiety & stress for all those concerned. Additional housing, would not enhance the area, and the fact there are numerous empty new build houses waiting for new owners just around the corner, this request to build more is just pure greed.

Your views as made above will be considered before the application is determined.
