Mrs Johnson

Further to your e-mail and letter of 8 August 2019 relative to the above, as requested please find attached updated drawings and revised letter (correcting reference and excluding condition 8).

Relative to the description of development we note that you have removed details of the reserved matters that we are seeking to address. Given that access was considered at outline stage we consider that this information could usefully be included, as was suggested in the submission (as detailed in attached covering letter), to avoid any confusion.

I trust that the above/ attached is in order but should you have any queries or require anything further please feel free to contact me.

Regards

Adrian
